Your sightseeing tour today will encompass the ultimate glacier exploration with a visit to the Columbia Icefield for the Glacier Adventure and Glacier Skywalk. Overnight in Lake Louise.

Day 1 | Calgary to Banff

Your vacation begins with a scenic tour into the heart of the Canadian Rockies. Today's highlights include a sightseeing excursion of Banff, a journey on the Banff Gondola for a spectacular mountaintop experience and an interpretive boat cruise on Lake Minnewanka. Overnight in Banff.

Day 4 | Lake Louise - Sun Peaks

Depart Lake Louise and head west into the province of British Columbia as the highway ascends through the spectacular untouched wilderness of Rogers's Pass. Stop for lunch in the Alpine Town of Revelstoke. After lunch, continue on your journey. The landscape transitions from rugged peaks to forested hills and expansive lakes. Continue through the desert-like hills surrounding Kamloops, as the road climbs through the Shuswap Highlands into the mountain region of Sun Peaks. Upon arrival, check into your hotel and enjoy an evening at leisure in the quaint mountain village of Sun Peaks. Overnight in Sun Peaks.

Day 5 | Sun Peaks - Vancouver

Follow the Thompson River Valley through Spences Bridge, a small town established during the Cariboo Gold rush of the 1850's. Continue south toward Hell's Gate and the spectacular Fraser Canyon. Lunch and a tram ride at Hell's Gate offers a chance to witness the power of water as it churns and pushes through the narrow Hell's Gate gorge. Following lunch, wind along the mighty Fraser River through pastoral valleys, passing into Abbotsford, Langley, and Surrey. Arrive into Vancouver in the afternoon. This evening, visit Vancouver's newest attraction, FlyOver Canada (included). Overnight in Vancouver.
