Wilhelm Tell paddle steamer, Lucerne to Flüelen

Wilhelm Tell Express | Lucerne - Flüelen - Locarno/Lugano

After boarding a historic steamer at Lucerne's quayside, enjoy a three-course meal in the Belle Epoque floating restaurant while gliding past ancient Swiss sites such as the Rütli Meadow, Schiller Stone and Tell's Chapel. At Flüelen, you change to a 1st class panorama car for the rail journey to canton Ticino.

The train winds its way from 470 to 1100 metres altitude, disappearing into the 15-kilometre Gotthard Tunnel (which dates from the 19th century and took 10 years to build). The train re-emerges on the sun-kissed southern side of the Alps. In the summer season an accompanying guide provides interesting information on the Gotthard region.
