## ROTHORN PARADISE

**Best views of the Matterhorn**  
See the iconic mountain at its most striking from the summit of Rothorn. The panorama of four-thousand-metre peaks revealed from the top of Rothorn makes it the perfect starting point for unforgettable moments in Matterhorn paradise.

The cable car carries visitors to the summit of the Rothorn – or to be precise, the Unterrothorn. In summer, this is the starting point for challenging hikes and a popular destination for sunrise excursions. In winter, the summit station offers direct access to the ski pistes.
