

BASEL

A HIDDEN GEM.

Located at the three-border point where Switzerland, Germany and France meet, Basel is a pocket-sized metropolis and has a great deal to offer. The cityscape radiates culture in many different guises. A lively city centre with narrow streets in the romantic old town, world-class museums, historic buildings and highlights of modern architecture. All of which can be explored on foot and in a single day thanks to the short distances, with a surprise around every corner.

Whatever your plans, make the most of it with the BaselCard – the free guest card which will be handed to you when you check in.
