PRAGUE CHRISTMAS MARKETS
 Christmas markets (Vanocni trhy) are a key ingredient of the festive magic in the Czech Republic, and the Prague markets are the most impressive in the country. They light up the city, bringing locals and tourists together in a true 'winter wonderland' setting.

The Prague Christmas markets are open every day from 1st December 2018 to 6th January 2019, including on Christmas Eve, Christmas Day and New Year's Day.

The main markets are held at the Old Town Square and Wenceslas Square (5 minutes walk from each other). There are also smaller markets at Republic Square, at Havel's Market, on Kampa Island, and on the square in front of St. George's Basilica at Prague Castle.

Note: the good news for visitors in late November is that the Christmas market at Prague Castle starts on 24th November 2018, one week before the main markets
